Bridwell Ag Center. Located across the river from HHH Registration and Consumer Show. Campers may set their tents on the lower bank of the river or adjacent to the Ag Center. Cold showers are available at the Ag Center as well as toilet facilities. The best part is that you will be camping near breakfast at MPEC, the consumer Expo, Finish Line Village and the Start. You should bring tents, cots or air mattresses, your own towels and bedding, etc. No reservations are necessary, and the cost is free.

The Bridwell Ag Center at MPEC no longer offers indoor camping. There are rest rooms and cold showers for those camping outdoors.
